# About The Scarlett Collection

**Scarlett Collection Founder,  
Morgan Kelley**

There are moments in our lives that we know will live with us forever. A bridal party, a baby shower, a child's birthday. These moments are about the memories and the time we spend in celebration with those we love but it's easy to lose sight of that in the stress of planning an event that shows everyone involved how much we love, care for, and appreciate their place in our lives. That's why we created the Scarlett Collection.

The Scarlett Collection takes away the hassle and stress of planning and leaves you with time to focus

on the excitement of the event itself. Whether you're a busy mother with a million things on your to-do list, a bridesmaid that wants to spend time with your friend, the bride, as she makes that amazing transition in her life, or a grandmother that can't contain her excitement or desire to help plan the perfect birthday bash, the Scarlett Collection provides everything you need to put together an elegant, Pinterest worthy event with minimal effort.

Organized by event and theme, each collection contains hand selected items including:

- Invitations
- Customizable back drops
- Thank you notes
- Water bottle labels
- Party favors

- Tableware
- And more!
